Oh, joy!

101 ways to get ready for your best spring hatch ever

Better living through good habitat-keeping

the Sixteenth Annual

BUG NIGHTS

is the surest path to gracious living.

Since 1995, volunteers including anglers, students, teachers, paddlers, and others interested in the health of the Upper Merrimack River and general river ecology have enjoyed learning about these fascinating creatures and what they tell us about water quality.

Your work as a citizen scientist helps determine the health of the Upper Merrimack watershed.

Training is *free*, fun, and a great way to spend quality time with family and friends as well as an opportunity to make new acquaintances. Your new, organized, and beautiful life begins on Wednesday nights.

Upper Merrimack Monitoring Program Bug Nights 2012 sessions are held on Wednesdays at St. Paul's School, start at 6:00 PM and end promptly at 9:00.

An instructional training and refresher class will be conducted at the first session on February 22, 2012.

Refresher and additional training will be provided at each session.

All equipment and alcohol (denatured preserving alcohol) are provided—just bring yourself and a friend.

Upper Merrimack Monitoring Program Bug Nights 2012 Schedule

February 22* March 14 April 11
*training night March 21 April 18
February 29 March 28 April 25

Directions to St. Paul's School from Interstate 93 North: Take I-89 north from Concord to exit 2 to Clinton Street. At the end of the ramp turn right onto Clinton Street. Follow signs and take left onto Langley Parkway. Continue to end to intersection of Pleasant Street (across from Concord Hospital). Turn left onto Pleasant Street. After about half a mile, turn left onto Dunbarton Road at the St. Paul's School sign. Take your first left after the barn (as soon as you enter the grounds) on the left, and use the large lot across from the Lindsay Center for Mathematics and Science, which is across the road. Enter the building at the corner door. The Ecology Lab is Room 123 on the left.

STORM AND OTHER CANCELLATIONS WILL BE POSTED ON MerrimackRiver.org.

Contact Michele Tremblay and Steve Landry at 603.796.2615 or MLT@naturesource.net or visit MerrimackRiver.org.
